

Course Title:	NVQ LEVEL 2 AND 3 SUPPORTING TEACHING AND LEARNING
Course details	Start Date: No set date End date: To be agreed Venue: Workplace Duration: Approx 10-18 mths
Cost of Course:	This will be agreed on an individual basis. Train to Gain funding will be accessed where possible for each learner.
Course description	<p>NVQ Level 2 - There are 5 mandatory units and 2 optional units</p> <p>Level 2 qualifications are for staff who carry out a range of activities, some of which may be non-routine. They work under the direction of a teacher and coordinate with others. They demonstrate a range of skills and apply knowledge and understanding in a number of areas.</p> <p>NVQ Level 3 - There are 6 mandatory units and 4 optional units</p> <p>Level 3 qualifications are for those who work in a variety of familiar and unfamiliar situations using a range of technical skills. They carry out self-directed activities under guidance and may have limited responsibility for directing the work of others. They apply knowledge and skills in a range of complex areas.</p>
What will I learn?	By the end of the course you will have achieved a nationally recognised qualification related specifically to your job.
Is this course suitable for me?	As all NVQs are work based assessed and competency based qualifications you must be in an appropriate job role linked to the standards. Your NVQ Assessor will establish this with you and your line manager at the initial meeting.
How will I be taught?	Any skills gaps will be addressed on a one to one basis via your NVQ Assessor. You will have access to on-line resources, study packs and workshops where applicable.
How will I be assessed?	This qualification would be obtained by gathering evidence from observations, questioning, professional discussions, witness testimonies from colleagues and supervisors and a review of work product evidence.
